-How does where you live and what you teach define you? How does it not define you?

-What is it like to live and teach in your community? Take us there.

-Tell us about your life outside of school — Who are you as a person, outside of teaching? What are your motivations, passions, concerns, and curiosities?

-Describe an experience when you were strongly ‘moved’ by a work of art - perhaps it changed your mind, provoked new thinking, challenged you, or repulsed you.

-What’s unique or special about your classroom, school, or students? Give us a tour, show us the room, give us the inside scoop.

-Why do you teach? What have been the most significant moments for you? What do you think you have accomplished as a teacher? What challenges have you faced? What more do you aspire to do?
